

ANNOUNCEMENT

EMPLOYMENT OPPORTUNITIES AT KAMNOETVIDYA SCIENCE ACADEMY

PTT Group, the largest energy and petrochemical conglomerate in Thailand (www.pttplc.com) and one of the top 100 companies of the world, has a firm intention to support Thailand to achieve self-reliance on science and technology through human resources development. PTT Group has established Rayong Science Academy Foundation as a licensed authority to institute a science high school named Kamnoetvidya Science Academy (KVIS). The principal aim of KVIS is to nurture Thai youth who are gifted in mathematics and science to reach their full potential and become leading researchers, inventors, and innovators. In order to prepare Thai students for 21st century education and innovation and for these students to be able to engage with the rest of the world confidently, KVIS uses English as the primary medium for instruction.

KVIS is located in Wangchan District of Rayong Province in the eastern part of Thailand, approximately 150 km. from Bangkok. The academy stands on a beautiful landscape with green hills in the west and tropical fruit trees scattered neatly around the campus. KVIS is peaceful and conducive to learning, and yet not too far from beautiful beaches and tourist towns.

To have a highly qualified teaching staff with strong English proficiency, Kamnoetvidya Science Academy (KVIS) is now accepting applications for the following teaching posts:
