

Invitation to the 31st International Conference of Young Scientists

21 October 2024

Dear Authorized Representative,

It is with great pleasure that Kamnoetvidya Science Academy (KVIS) extends an invitation for your country to participate in the 31st International Conference of Young Scientists (ICYS 2025). This event, in collaboration with the Institute for the Promotion of Teaching Science and Technology (IPST) Thailand, will be held on the KVIS campus in Rayong, Thailand, from 6 – 10 April 2025.

The ICYS 2025 brings together young scientists and educators from around the world. This will be a unique opportunity fostering collaboration, exchanging innovative ideas through project presentations and highlighting the most recent advances in STEM educational pedagogies. The event also provides a platform for all delegates to come together to learn about different cultures through interactive activities.

Additionally, in celebration of the 10th Anniversary of KVIS establishment, we are delighted to host the ICYS 2025 in parallel with the 8th KVIS Invitational Science Fair (KVIS-ISF 2025). The KVIS-ISF is the annual science fair for students in grades 10 to 12 from local and international partner schools.

For the ICYS 2025, each participating country is welcome to nominate **a maximum of six students, and two delegation leaders**. The student nominees must not exceed 20 years of age. Each participating country is invited to present **their research projects under the following 6 categories**:

- Physics
- Mathematics
- Computer Science
- Environmental Sciences
- Engineering
- Life Sciences

To confirm your participation, we kindly request you to complete the RSVP form available at this [link](https://app.kvis.ac.th/icys2025/) by **31 January 2025**. The registration fee is 270€, and is inclusive of airport transfers, meals, excursions, and accommodation. The registration portal will be activated shortly thereafter. For more information, please visit <https://app.kvis.ac.th/icys2025/>.

We eagerly anticipate your country's involvement in the ICYS 2025 and look forward to meeting you at this prestigious event.

Yours Sincerely,

Boonchoat Paosawatyanong, Ph.D.

Principal of Kamnoetvidya Science Academy
