

## Invitation to the 8<sup>th</sup> KVIS Invitational Science Fair

21 October 2024

Dear Authorized Representative,

It is with great pleasure that Kamnoetvidya Science Academy (KVIS) extends an invitation for your school to participate in the 8<sup>th</sup> KVIS Invitational Science Fair (KVIS-ISF 2025). This annual event, supported by the PTT Group and the Power of Innovation Foundation, will be held on the KVIS campus in Rayong, Thailand, from 6 – 10 April 2025.

The KVIS-ISF 2025 is designed to showcase innovative ideas and student research projects that promise to shape the future of science and technology, both from domestic and international partner schools. It also serves as a platform providing students with the opportunity to immerse themselves in scientific discourse and cultural interactions.

Additionally, in celebration of the 10<sup>th</sup> Anniversary of KVIS establishment, we are delighted to host the KVIS-ISF 2025 in parallel with the 31<sup>st</sup> International Conference of Young Scientists (ICYS 2025). The ICYS is a global scientific forum for students presenting their latest research findings.

For the KVIS-ISF 2025, each participating school is welcome to nominate **one team consisting of the principal, two students, and one teacher**. The student nominees must be current students in grades 10 to 12 and be 15 – 18 years of age. Each school is invited to present **a maximum of one research project under one of the following 6 categories**:

- Physics
- Mathematics
- Computer Science
- Environmental Sciences
- Engineering
- Life Sciences

To confirm your participation, we kindly request you to complete the RSVP form available at this [link](https://app.kvis.ac.th/isf2025/) by **31 January 2025**. The registration portal will be activated shortly thereafter. For more information, please visit <https://app.kvis.ac.th/isf2025/>.

We eagerly anticipate your institution's involvement in the KVIS-ISF 2025 and look forward to meeting you at the event.

Yours Sincerely,

Boonchoat Paosawatyanong, Ph.D.

Principal of Kamnoetvidya Science Academy
